

## Self Adhesive Nylon Cable Clips

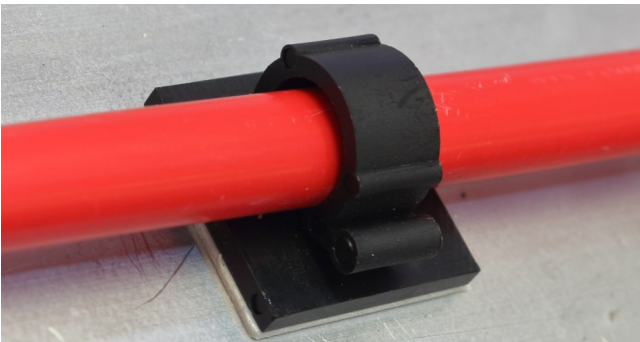

Wires, cables and hoses can be quickly and easily installed using these one piece fixing clips.

Ideal for difficult access areas and where fixing holes would be unacceptable.

Applied to a clean, dry surface this clips have a strong hold with a near to instant bond.

RoHS and Reach compliant

- Suitable for either single cables or bundles
- Quick and easy installation on smooth, clean surfaces

Material	Polyamide 6.6
Adhesive	Synthetic Rubber
Operating Temperature	-40°C to +85°C
Application Temperature	-40°C to +85°C
