

Stainless Steel Cradle Mount

These bases are suitable for the secure fixing of cables and hoses.

They provide a complete fixing when used in conjunction with the stainless steel MBT-S and MBT-H cable ties.

Manufactured in 316 grade stainless steel. With a fixing hole to suit a no.8 screw, and suitable for cable ties up to 8mm wide.

RoHS and Reach compliant

- Suitable for cable ties up to 8mm wide
- Fixing hole for no.8 screw
- Design prevents screw heads from interfering with cable ties
- Made from 316 grade stainless steel
- Quick and easy to use
