

Stainless Steel P Clips

P clips offer a simple and secure way of fixing cables and hoses tightly in place.

With flexible tooling, we also have the ability to alter the diameter, allowing these products to fit your requirements.

Available in 316 grade stainless steel, polyester coated 316 stainless steel, and a wide range of diameters.

RoHS and Reach compliant.

- Simple and secure fixing for cables and hoses
- Option of polyester coating (add -C to part, e.g.SSP4-C)
- Available in custom diameters

Material	316 Grade Stainless Steel
Coating	Polyester (Black)
Operating Temperature	-80°C to +538°C
Coating Operating Temperature	-50°C to +150°C

Part no.	Max Bundle (mm)	Width (mm)	Fixing Hole (mm)	Thickness (mm)	Pack size
SSP4	4	10	4	0.27	100
SSP5	5	12	5	0.50	100
SSP6	6	12	5	0.50	100
SSP8	8	12	5	0.50	100
SSP10	10	12	5	0.50	100
SSP12	12	12	5	0.50	100
SSP15	15	12	5	0.50	100
SSP16	16	16	5	0.50	100
SSP20	20	16	5	0.40	100
SSP25	25	16	5	0.40	100
SSP28	28	16	5	0.40	100
SSP32	32	16	5	0.75	100
SSP48	48	16	5	0.75	100
